

Last information update: May 2024

Product code

G745: DALI Booster 64

Technical description

Input voltage 220-240 -10%, +6% Vac
Mains frequency 50/60Hz
DALI load 2mA
DALI logic addresses: 1
Internal DALI power supply for 64 DALI loads - Broadcast (Max power 130 mA)
IP20 rating
Number of DIN modules: 4

Colour

Indeterminate (00)

Weight (Kg)

0.15

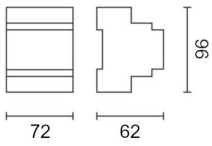

Wiring

0.5 ...2.5 mm²

Notes

DALI IEC 62386-102/-201

Complies with EN60598-1 and pertinent regulations

Technical data

Control: DALI
