Product configuration: QS31

QS31: Frame @ 125 - Wide Flood beam - LED

Ø134

Ø125

Product code

QS31: Frame Ø 125 - Wide Flood beam - LED

Technical description

Ring luminaire with 12 optical elements for LED lamps - fixed optics. The optic system guarantees a high level of visual comfort and no glare. The body includes a radiant surface made of die-cast aluminium. Version includes a perimeter surface frame. High definition reflectors made of thermoplastic material vacuum-metallised with aluminium vapours, integrated in a set-back position in the antiglare screen. Supplied with a power supply unit connected to the luminaire.

Weight (Kg)

0.54

Installation

Recessed with steel wire springs for false ceilings from 1 to 25 mm thick - Ø 125 installation hole.

Colour

White (01) | Black / Black (43) | Black / White (47) | White/Gold (41)* | White / burnished chrome (E7)*

* Colours on request

ceiling recessed

Wiring

On the power supply unit with terminal board included. Available in DALI versions.

Complies with EN60598-1 and pertinent regulations

On the visible part of the product once installed
